*Notes from Fr Bob*

**Thanks to the Men's Club** for putting on that great breakfast last Sunday. But *shame on the parish* for its poor support. Where else can you take the family for good food and fellowship with no extra gasoline used—all for a donation?? — or even free if your money is that tight. [The purpose of this event is to build community and have some family fun. I think you really need to do some soul searching if you think you have good reasons not to join in.]

**Thanks also** to the folk who helped out with manning the **funnel cake booth** at the Barlow Fair and to Jason Hall for coordinating **this project that raised over \$1500.**

Its really gratifying to see so many of our parishioners willing to reach out to others with things like the **Life Teen Clothing Drive** or the **CWC Shoebox Project**. I don't think we have reached our goal of filling over 125 shoeboxes **YET** but the Life Teen effort collected over **1100 lbs. of clothes** to be passed on to those in need. One of the best gauges for the spiritual health of a parish is not what they have but what they are willing to give.

A couple people have asked about **CONFIRMATION** so here is the policy: If a teenager plans to be confirmed in our parish next year, you **must be part of Life Teen THIS YEAR** and, yes, that includes anyone attending Parkersburg Catholic HS.
