Notes from Fr Bob

The parish received a **thank note** from the diocese for our support of the diocesan Youth Rally. The bishop was delighted with your enthusiasm and gracious spirit of service to the diocese.

Thanks to those who came forward to donate the **new image of Mary** for the small chapel. We ordered it but it's made in Italy so it may take a while to get here.

We had the **heating system** in the Rel Ed wing repaired this week so all classrooms should have heat now. We also raised the minimum temperature for the building from 50 up to 60; it puts a lot less stress on the equipment and is better for the building. Let me know if there is still a problem.

Our CWC and helpers packed a record **159 shoeboxes** to send to Latin America!! Many thanks to all who supported this effort.
